Dec. 3/17, 4th Week of Pylypivka - St. Nicholas (26th Sunday after Pentecost)

1. Who was St. Nicholas?

1. St. Nicholas was a bishop in the city of Myra in Lycia, called the “wonder-worker.”
2. St. Nicholas loved people, especially children, and worked to serve those in need.
3. He would deliver gifts to those in need when everyone was asleep so no one would know where the gifts came from.
 1. This is where we get the tradition of Santa Claus, a man who delivers gifts while everyone is asleep.
4. Many miracles have also occurred through St. Nicholas' prayers. One such instance was while he was sailing and a great storm broke out. Through his prayers, the storm ceased and no one was harmed.
 1. Miracles have also happened through St. Nicholas' intercession, so if you have a problem you're dealing with, perhaps you might like to try asking St. Nicholas for his prayers.

2. What day do we celebrate the Feast of St. Nicholas?

1. December 6th (in the Julian/Old calendar we celebrate St. Nicholas on December 19th)
2. December 6th, 343 was the day St. Nicholas died.
3. On this day it is customary to have gifts appear from St. Nicholas, a testament to his life and kindness.

3. What does St. Nicholas' life teach us?

1. To love with God with all our heart, life, and soul.
2. If we love God in this way we are able to truly love others. We show this love by serving and praying for those in need.
3. Through our faith great and amazing things can happen.

Together say the prayer we said in church today:

The fruit of your good works, O holy Father,
has brought joy to the hearts of the faithful.

Who indeed has not heard of your wonderful works, and not admired your patience and humility, the joy with which you fill the poor, and the compassion that you show to the afflicted?

You have truly been an admirable example for us all. And now that your unfading crown had been placed on you, O holy Nicholas, pray for the souls of us servants.

Amen.
